

WILLSCOT

a variety of purposes by all industry sectors, but some are better suited than others based on the project scenario.

When it comes to people, the more things you have in common the better the odds are for a happy relationship. The same idea can be applied to modular products. Here are some basic points comparing four popular products in our fleet.

	WILLIAMS SCOTSMAN			8 —
	STORAGE CONTAINER	CONTAINER OFFICE	TRADITIONAL MOBILE OFFICE	*FLEX TM
